You've had a Lakewood guitar for a long time and now you cannot find it within our guitar range? Maybe you are luckier here. . . This is a list of older guitar models that have been taken out of the series program. Most of them are still available via our customshop.

This instrument has been dedicated in friendship and admiration to Ulli Bögershausen who has influenced finger-style music worldwide like few others. The wood selection for this instrument is a AAAA European spruce top and ziricote back and sides. This combination can hardly be trumped, offering optimal substance for demanding music. The signature of Ulli Bögershausen is tastefully inlayed in mother of pearl at the 12th fret providing fitting adornment. This guitar benefits, without loss of tone, from a cutaway and L. R. Baggs "Anthem" System to be deployed for the enjoyment of audiences. Each instrument is personally played in by Ulli Bögershausen, so imbuing the guitars with his particular style and sound from the very start.
